## **EARNED INCOME TAX CREDIT (EITC)**

IRS defines EITC as a refundable credit based upon earned (W-2) income. The Earned Income Tax Credit (EITC) helps low to moderate-income workers and families get a tax break. Claiming the credit can reduce the tax you owe and may also give you a larger refund.

Free online tax filing can be done by taxpayers at [www.IRS.gov](http://www.IRS.gov) and [www.Oklahoma.gov](http://www.Oklahoma.gov). Some tax payers may qualify for free tax preparation services through the sites above and/or through IRS supported tax platforms.

### **EITC Requirements are:**

- Household incomes under \$63,398
- Valid Social Security Number (SSN)
- US Citizen or a resident all year
- Investment income under \$11,000
- Cannot file IRS Form 2555 (related to foreign earned income)

Taxpayers who qualify for a federal EITC refund may be eligible for an additional EITC refund from the state of Oklahoma.
